Sub: Amendment of Model bye-laws applicable in case of Air Force & Naval Officers CGHS Ltd.-reg.

Sir,

This is with reference to your representation dated 12.05.2026 on the subject cited above. In this regard, it is to inform that Rule 12(1) and Rule 12(4)(c)(i) of the DCS Rules, 2007 explicitly mandates that the bye-laws of a cooperative society may be amended by a resolution passed in the general body meeting (**not in the SGBM**) and the society must furnish a copy of the general body meeting notice "along with proof of postal record."

Furthermore, digital circulation via WhatsApp or website postings, even if paired with physical notice board displays, does not satisfy the statutory mandate of a verifiable "postal record." Because the initiation of the amendment process itself lacks statutory compliance, the question of invoking the "deemed registration" clause does not arise.

In view of the above-stated facts and statutory non-compliance, it is informed that your request for approval/registration of the proposed amendment of Model Bye-laws cannot be considered on the grounds mentioned above.

This issues with the approval of Registrar Cooperative Societies.
